Second Annual Knitting Shop Hop Tools of the Trade Treasure Hunt

Grab you best friends and pile in the car for a weekend of treasure hunting October 12, 13 & 14. Once again, seven great yarn shops are sponsoring this exciting event so our knitting community can discover these seven "hubs" of creativity. To begin your journey, pick up driving directions, an entry card, and a tool bag to fill at any one of the shops listed below. At each shop get your entry form stamped – at the same time you can also enter your name for door prizes and pick up a knitting tool to fill your bag. A completed entry form, stamped at each shop, qualifies you to enter the drawing for the Grand Prize or one of seven First Prizes. The grand prize is a Knitting Tool Chest and the First Prizes are Knitting Tool Bags. Start your Treasure Hunt beginning on Friday, October 12th. You can complete your treasure hunt all in one day or spread it out over three days.

Rules for Grand Prize Drawing:

1. Only one entry per person.
2. Must have all seven official stamps to be eligible to enter Grand Prize Drawing/First Prize Drawings.
3. Official Stamps can only be obtained October 12, 13 or 14 and must be obtained in person.
4. Grand Prize Drawing on Friday, October 19th, 2007. Winners will be notified by October 22.
5. No purchase necessary.
6. Shop employees are not eligible to win Grand Prize.
7. Supplies of tools and tool bags limited to first 500 customers. Come early while supplies last.
